Makers of 440-R® SMT Detergent

March 8, 2005

To whom it may concern:

Re: 440-R SMT Detergent Certification of RoHS Compliance

Smart Sonic's 440-R SMT Detergent is compliant to the European Directive (EU) 2002/95/EC, titled "Restriction of the use of certain Hazardous Substances in Electronic Equipment" for control of lead, cadmium, hexavalent chromium, mercury, polybrominated biphenyls (PBB) and/or polybrominated diphenyl ethers (PBDE).

440-R SMT Detergent contains zero amounts of the aforementioned controlled substances.

If you should have any questions, please do not hesitate to contact me.

Yours truly,

William C. Schreiber
President
